# Report Phase

Date	21 June 2025
Team ID	LTVIP2025TMID29726
Project Name	Asset Management Portal
Maximum Marks	4 Marks

Create Report: Available vs Assigned Assets:

We generate a **Pie Chart Report** using the **Asset Inventory** table to visualize the number of assets in each status category (Available, Assigned, Lost, etc.). This report provides a quick and clear view of the asset distribution across the organization.

Settings used:

- **Report Name:** Available vs Assigned Assets

- **Group By:** Status

- **Aggregation:** Count

Select the visualization of your report   Save ∨   Run

Data > Type > Configure > Style   ✳ Report Title :   Available vs assigned assets

▽ pie chart   Type a question about your data
                                                        What do you want to see?   Ask   How can I improve my results?
